DANNY CONCEPTION MOCK
CLASS OF 1958

To YOU for all the hours YOU gave;
To YOU because YOU helped us pave
The road, which was hard and long.

To YOU for always helping out,
To YOU for trying not to doubt
Our word, which was often wrong.

For all of this, and for more, we do
DEDICATE the '58 CARIBBEAN to YOU.

MR. JAMES H. PFAU

Our teachers help, as you can see,
Boost CHS with fun and glee;
They work so hard and never stop
To put our school right on the top.

President of Jr. Rifle Club
Expert-V.-58

The rifle club was started about 10 years ago, when Mr. Gibson, with the help of a few boys and girls, went down to the basement of the school and constructed a range of safety for shooting. Mr. Gibson organized the club and anyone age ten or more was eligible to join the club. There were two Clubs, Junior and Senior. The Junior consisted of those students from ten to eighteen and the Senior, over eighteen. The next step was to establish the Club with the N.R.A. (National Rifle Association) in the States. Now students can shoot during their free periods for practice and monthly matches. Different organizations donate trophies for competitive individual and team competition.

JUDGES' COMMENTS

"This boy was a leader and a great competitor. He was always thinking, which made him a perfect field general. He never stopped trying and packed a world of courage in his small frame. Your boys seemed to have a lot of respect for him as did his opponents."

"He is an exceptionally fine field general on the field. His lack of size is offset by his courage in a football game. A fine athlete and so goes the phrase: A fine tribute to Cristobal High School and its football team."

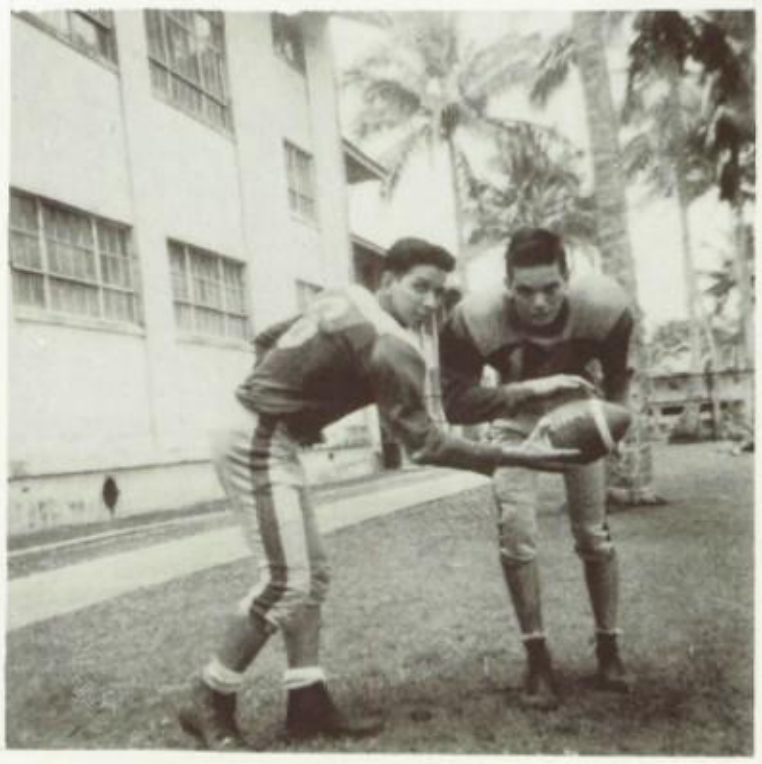
"I select him for—

" . . . . his desire, smart play calling, his knowledge of the rules and his usually correct choice of penalty options."

" . . . . the effect of his presence on the field among Cristobal's players and their all-out confidence in his judgment, which included opposing players officials."
" . . . . he was clearly a leader and a necessity to the success of the Cristobal Team this year."

"This little fellow has always been *BIG* when participating in all major sports against opponents."

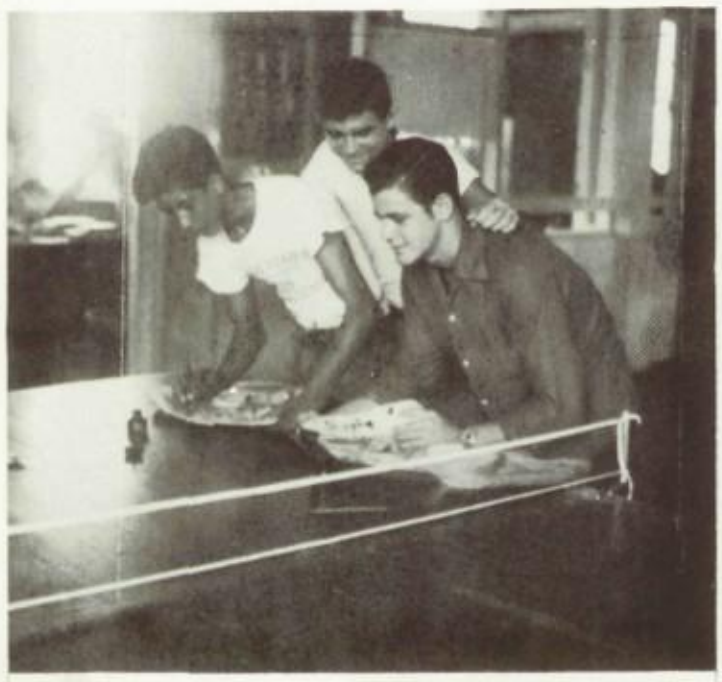
"Stitch, Stitch, Stitch!!"



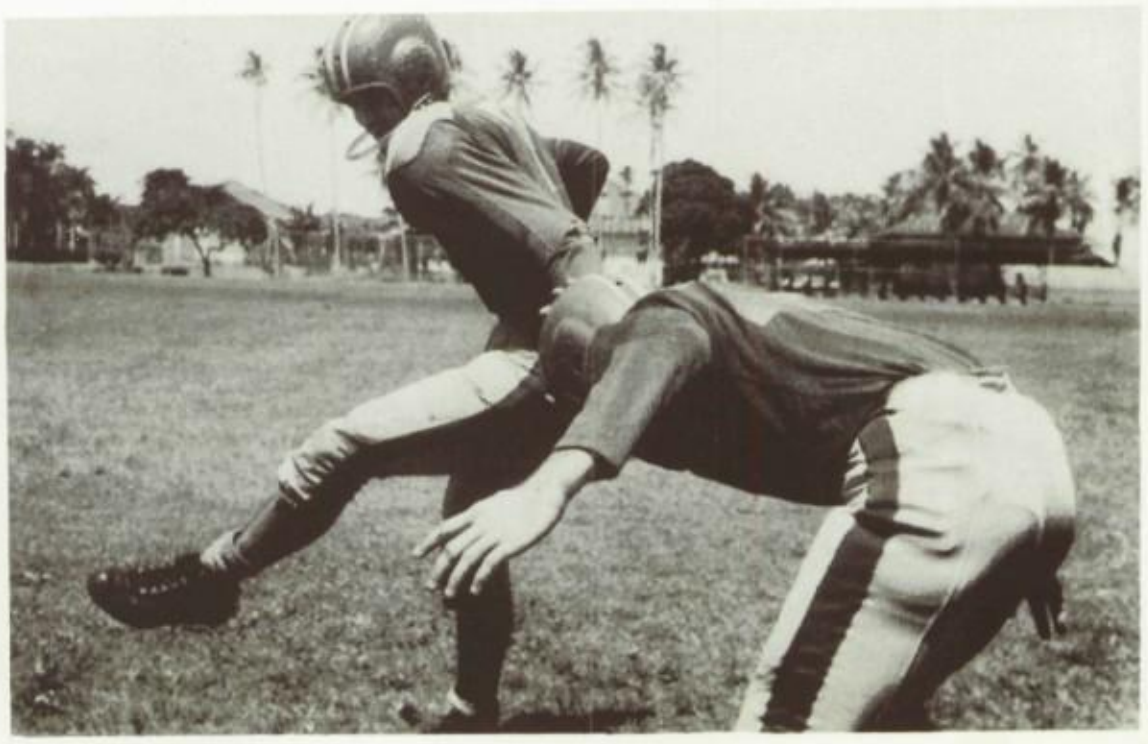
"What ya waitin' for?"

"Glum bums!"

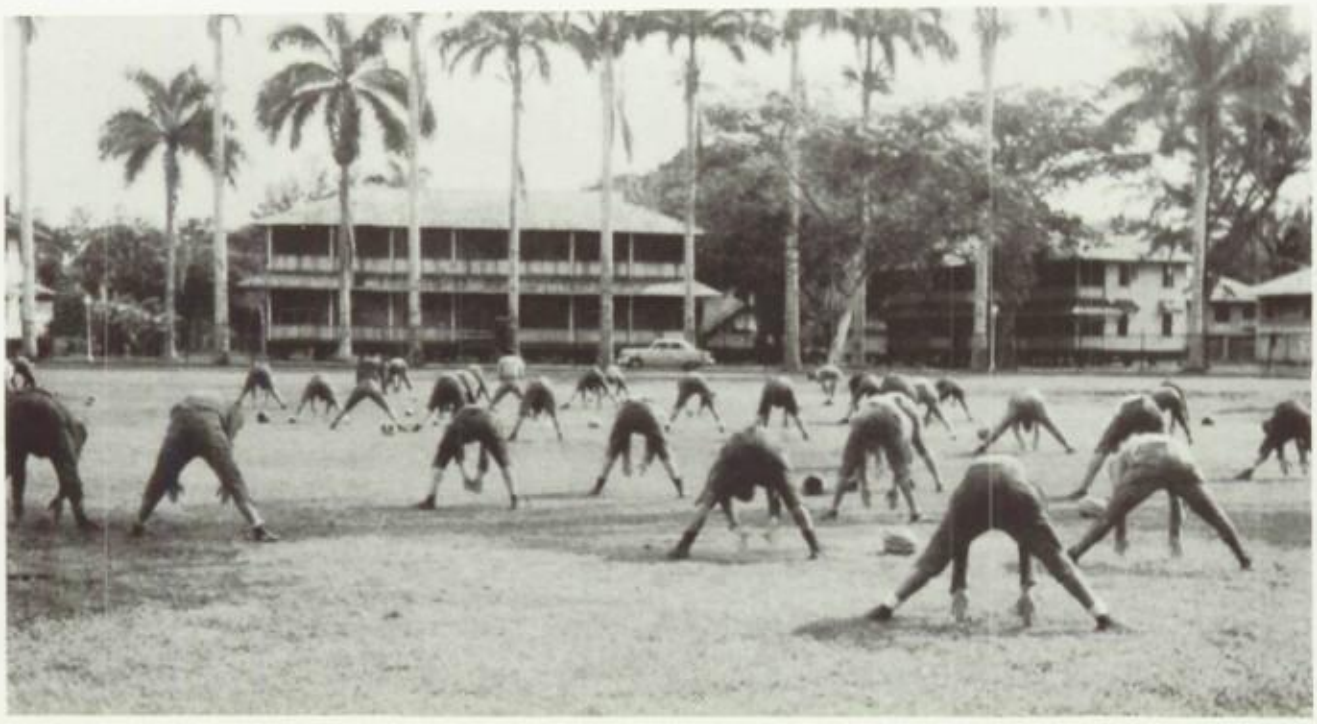
"Really, James!"



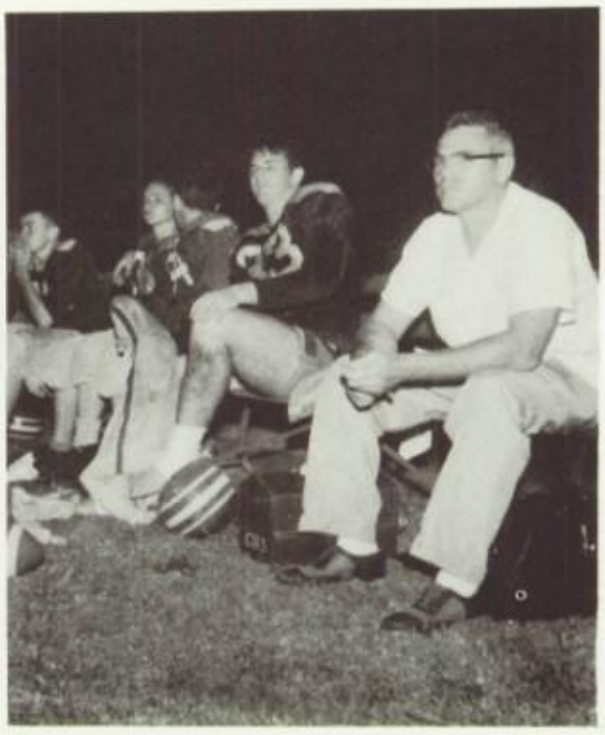
"Scratch, Scratch, Scratch!!"



"That's one way to tackle . . . use your head!"



"What are they?"



"Take care of our center, Doc!"

". . . and he excels in everyone!"

"Man, he's a pro!!!"

"Rain or shine, he's always around."

"Get that helmet on, you!"

"Next fly is mine!"
